

GSHA CONFERENCE SPONSOR:

We are deeply committed to schools and understand the opportunities and challenges that you face. We deliver high quality, full-service legal advice on a national scale and at a price you can afford.

We provide accessible, independent and committed legal advice to over 800 schools. We therefore understand both the opportunities and challenges that you face in current school leadership.

Recognised as a leading firm for education law in the UK, we have specialists with deep experience in all aspects of the school sector. In addition to the highly technical area of education law, our broader team advises on areas such as employment, property and school business management. This means that you can turn to us for all your legal needs.
