“In an increasingly competitive market we need buildings that look exceptional and are affordable”

Darwin Group, the UK’s leading provider of Education Building solutions is a Modern Methods of Construction pioneer, offering a broad range of services to clients in both the public and private sector, looking to deliver new building solutions.

Our long term and rapidly growing client base stand as testament to the way that Darwin Group supports customers at all stages of their building needs, from feasibility, design and planning through to construction and final handover, offering a complete build service.

We have a vision for the future of construction which is demonstrated in our tagline “Construction has Evolved”. This validates our commitment to innovation – pushing the boundaries of construction processes beyond conventional stereotypes. Darwin Group provides all the benefits of traditional construction whilst reducing time spent onsite, significantly mitigating disruption to clients and other stakeholders.

Using the latest construction techniques Darwin Group can deliver an outstanding facility at an exceptionally affordable price in a time scale that won’t affect your learning environment.

Contact us on **01939 252909** to find out how we can help you with your future building programme, whatever the requirements!
